

GET TESTED!

You can get a COVID-19 test at no cost to you to know your status and have peace of mind.

Check out sites that also offer antibody testing to determine if you already had the virus.

The tests are safe and confidential.

There are hundreds of NYC Test & Trace Corps testing sites across the City.

No appointments are necessary!

Visit nyc.gov/covidtest or call 311 to find a testing site near you.
